Members of Great South Bay Power Squadron,

The American Legion Rusy-Bohm Post 411 has been our home for the last 30+ years. It has been, and will always be, a significant part of our history as the Great South Bay Power Squadron. It has hosted our change of watches, holiday parties, New Year's parties, and so much more. The Rusy-Bohm has been our home.

We were notified by Rusy-Bohm management toward the end of February that they were raising our rent by 34% for our general meetings effective March 1<sup>st</sup>, citing the need for additional funds to maintain the hall. The executive committee has discussed this situation at length, and it was determined that the increased rate is something we cannot afford to pay. After much deliberation, the committee has decided to move our meetings to a new venue, effective immediately. I would like to thank American Legion Post 411 for the many years of friendship and hospitality, and we wish them the best in the future.

Looking towards the future, we have committed to the Ancient Order of Hibernians, Division Seven, East Islip for our upcoming general meetings. The Hibernians have guaranteed us a rental rate that the executive committee is comfortable with. We have committed to hosting our next two meetings, Friday, April 26<sup>th</sup>, 2019, and Wednesday, May 29<sup>th</sup>, 2019 at the Hibernian Hall. The hall is located at 65 Champlin Ave, East Islip, NY 11730. The executive committee will discuss a long-term agreement with the Hibernian Hall at its next meeting on, 7 May 2019.
